## The New Actors Workshop

All that is best in American acting training taught by master teacher/directors in a full-time, integrated, two-year program in New York City.

For the first time combining intensive work to develop spontaneity, playfulness, and theatricality using Spolin improvisational theater games taught by Paul Sills, original director of The Second City and creator of Story Theater

with equally intensive work to develop conviction, use of self, and analytical skills utilizing the newest developments in "method" training taught by George Morrison, a director and trainer of actors for over 30 years and Professor of Theater Arts at the State University of New York at Purchase and including the coaching and guidance of Mike Nichols, the stage and film director with extensive technical work on body and voice.
