## Media Rush Into Shooting Suspects' Home, Riffle Through Belongings [VIDEO]

Posted By [Steve Guest](#) On 1:38 PM 12/04/2015 In | [No Comments](#)

NBC News, CNN, Fox News and other media outlets entered the Redlands, Calif. home of the suspects in the San Bernardino shooting.

NBC was one of the first national outlets to enter the home after reporting that their reporters were granted access by the apartment landlord.

The landlord disputes that claim, insisting he didn't let them in, and that they "rushed in."

CNN's @StephanieElam says she's seen "passports, drivers licenses, social security cards..."

Is there a reason police didn't take those?
