Japanese bought another piece of America yesterday: The Statue of Liberty. They plan to replace her torch with an even greater symbol of liberty and Capitalism: the Walkman.

My aunt Idona has one tip for survival in New York: "They'll know you're a tourist if you ask for a 'piece' of pizza. To fit in, you ask for a 'slice'." So I go into up to a pizza stand, and say "gimme a slice" and the guy cuts me with his pizza wheel.

Saw on CNN that a WW II Czechoslovakian soldier was found wandering in the woods. Seems the Nazis had brainwashed him. The Vet was a banker before the war. They're returning him to the bank a blank Czech.

There's a new Yale School of Medicine study out. 17% of teenaged males over the age of 16 practice safe sex with their partner. The other 83% practice alone.
